MEMO ENDORSED

Re: *Sorin v. Killian*
07 Civ. 11619 (SCR)(MDF)

Dear Judge Fox:

On December 28, 2007, the petitioner sought an order sealing the memorandum of law (and the motion for sealing) because they made reference to certain private matters. Judge Robinson granted that motion in an order dated January 15, 2008.

The Court has ordered the government to file in responsive papers today and for the petitioner to file his reply papers on February 13, 2008. Both sets of papers will, by necessity, discuss the confidential matters which were sealed by Judge Robinson's order. Accordingly, this is an application that further submissions in this case, including the government's responsive papers and the petitioner's reply, be filed under seal.

The government informs me that it takes no position on this application. The government will serve the petitioner with the Respondent's papers today and will send the Court a courtesy copy of those papers but will refrain from filing pending a resolution of this motion.

Very truly yours,

RICHARD D. WILLSTATTER
